Our mission is to ensure every student in Lake County has access to the school supplies and scholarships they need to pursue their dreams through community support for each other.

The Backpack Fund is distributing school supplies at no cost to students who need them in our community. We are also offering scholarships in honor of Emily Ringler, a 20-year old girl who passed away from cancer in 2019. The Backpack Fund is a registered charity and corporation in the state of Ohio. We have donated over 500 backpacks with school supplies and awarded \$2,000 in scholarships.

By joining our mission, your business shows its support for the community and education. The community will have increased loyalty and support for your business in return for your support for the community.

Nearly your whole donation will go towards supporting the local community. A small portion will be used for processing fees and operational expenses like maintaining the website. The staff at The Backpack Fund are not taking any salary and are as committed as you are to serving kids in our community. Visit **thebackpackfundohio.com** to make a donation! We also accept donations of product or gift certificates; contact us to discuss these options. The same sponsorship levels will be awarded for donation of product or gift certificates.

Sponsorship Levels

Sponsorship awards will last for one year from the time of the donation

Dreamer ≥\$250

Logo on the website and invitation to the implementation event.

Achiever ≥\$750

Same as Dreamer level with a logo on our banner at our distribution event.

Inspiration ≥\$1,000

Same as Achiever level with logo in emails and social media posts.
